ÁREA INTERIOR - 33.60m²

TERRAZA EXTERIOR - 7.56m²

ÁREA TOTAL - 41.1m²

UNIDADES - 99

This module makes the most of every square meter with an efficient layout that seamlessly connects the interior to a private terrace, optimizing both functionality and comfort. The open design integrates the bedroom, kitchen, and living area into one fluid space, enhancing the sense of openness.

The outdoor terrace provides direct access to fresh air, completing the experience of living in a modern environment. A full bathroom ensures comfort and privacy, making this module an ideal choice for those who seek to make the most of every detail in their home.
